Dear Mr. Carreras:

In response to your request, the Bureau of Labor Market Statistics has verified that 701 Waterford Way in Miami-Dade County, Florida is in Census tract 9805. The area consisting of contiguous Census tracts 49.01 and 9805 qualifies as a Targeted Employment Area (TEA) under the provisions of the EB-5 Investor Visa Program. The 2014 annual average unemployment rate for the combined area was 12.4 percent, above the qualifying rate of 9.3 percent for that time period (see enclosed table).
